

Concorde Tumble Dryer

The Concorde 7kg Tumble Dryer is designed to offer efficient and reliable drying for medium-sized households. With a generous 7kg drum capacity, it accommodates a substantial load of laundry, ensuring even and thorough drying. This appliance features multiple drying programs to cater to various fabric types and drying needs, enhancing its versatility. Its energy-efficient design minimises power consumption while delivering optimal performance, making it an eco-friendly choice. Additionally, user-friendly controls and a modern aesthetic make the Concorde 7kg Tumble Dryer a practical and stylish addition to any home.
