

#### TimeCare 500 washing machine with TimeManager function

Reduce the duration of your wash cycles according to your needs. Simply select the TimeManager function on the panel to reduce the cycle duration. Excellent washing results exactly when you want them.

#### Product Benefits & Features

#### AutoSense adjusts settings based on load volume

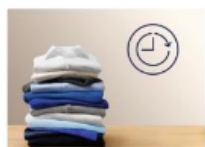

The AutoSense function adapts to your needs for optimal fabric care. This function adjusts the washing time, as well as energy and water consumption based on the load volume. For complete laundry care without wasting resources.

#### The Hygiene program removes more than 99.99% of bacteria and viruses\*

The Swisstest certified Hygiene program removes more than 99.99% of bacteria and viruses\* from clothes. By keeping the washing temperature above 60°C, clothes are more hygienic and clean with a reduction in allergens.

\*Tested for Staphylococcus aureus, Enterococcus faecium, Candida albicans, Pseudomonas aeruginosa and MS2 Bacteriophage in external testing carried out by Swisstest Testmaterialien AG in 2021 (Test Report No. 202120117)

#### Laundry adapts to your needs with the delayed start function.

The delayed start function allows you to postpone the start time of the wash cycle from 1 to 20 hours, to avoid clean clothes remaining in the drum for hours.

#### GentleCare Basket: for even softer garments that last over time

This washing machine is equipped with the GentleCare drum, specially designed to take care of your clothes. Our drum reduces fabric deformation during washing and spinning.

#### Woolmark Blue certified wool cycle

Machine wash your wool garments with peace of mind, using our Woolmark Blue certified cycle. The garments are treated with the same delicacy and care as a hand wash to preserve their shape and softness, allowing you to wear your favourite pieces for longer.

- Cabinet depth 50 cm
- Maximum load capacity (EU 2017/1369): 8.0 Kg
- LED display
- Options: Prewash, Extra Rinse, Easy Iron
- Dimensions/max overall dimensions (HxWxD) mm: 847 x 596 x 547/576
- Drying efficiency class B
- Programs: Eco 40-60, Cotton, Synthetics, Delicates, Rapid 14Min, Rinse, Spin / Drain, Machine Cleaning, Hygiene, Silk, Wool, Sportswear, Outdoor, Jeans

Product Specification

Model	EW5F8W
Category	Front loading washing machine
Color	White
Dimensions HxWxD (mm)	847x596x547
Net weight (kg)	68.5
Gross weight (kg)	70
Packaging height (mm)	900
Packaging width (mm)	640
Packaging depth (mm)	626
Maximum capacity in kg E20	8.0
Energy efficiency class E20	TO
Program energy consumption Eco for 100 cycles E20	47
Drying efficiency class with spin of the eco 40-60 program (EU 2017/1369)	B
Rotation speed in revolutions per minute of the eco program 40-60 at nominal capacity E20	1151
Silence E20	74
10 year warranty on inverter motor	Yes
