

Purified air tailored for you.
The new Flow A3 is compact and intuitive, ideal for smaller rooms that fill with well-being and purified air during its use.

Electrolux FA31-201GY Light Gray air purifiers

Product Benefits & Features

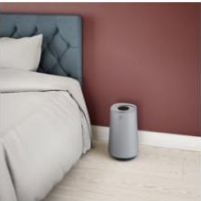

Meet your needs
Flow A3 adapts to changes in air quality by automatically adjusting fan speeds to ensure effective purification without wasting your time.

Complete and effective filtration
Flow A3 is equipped with a multi-layer filter that captures micro-particles of dust (e.g. PM 2.5), bad odors (e.g. acetaldehyde) and harmful substances contained in the air (e.g. formaldehyde) and signals with two levels of alarm when the filter needs to be replaced.*

Powerful yet uniform air circulation
The spiral outlet creates an upward vortex that effectively and evenly distributes and circulates the purified air throughout the room. It reaches a surface area of up to 40m2** (according to Swedish air exchange per hour standards) and 16m2 (US AHAM) **dimensions room with

Silent
The Flow A3 is also ideal for small spaces thanks to its silence, with a noise level of only 26 dB(A)*** when used in Sleep mode. Even at maximum speed, the noise level is 49 dB(A)***, which is comparable to the level reached during a

Intuitive and accessible The compact Flow A3 purifier is perfect even for small spaces, while the intuitive touch interface allows you to easily set the functions ensuring a simple user experience.

Product Specification			
Aesthetic color	Light Grey	Noise level max speed (dB)	49
Fan speed	3	Min. Noise (dB)	26
Technology	4 stages filtration: Pre filter & Anti-bacterial & Pre-charged True EPA12 and Active Carbon		
Power Consumption Range	3.5 - 20		
Served area (Boverket) m²	38		
Filter supplied	EFFBRZ2		
Cable length (m)	1.5		
Area served (AHAM) m²	15		
Noise range (dB)	26/33/49/0/0		
Noise range (dB)	26 - 49		
CADR Smoke (m³/h)	180		
Dimensions HxWxD (mm)	380x240x240		
Filter type	Pre-charged True EPA12		
Electronic Display	No		
Net weight (kg)	2.8		
Voltage (V)	220-240		
Sensor	PM1, PM10, PM2.5		
Filter Accessories	EFFBRZ2		
Product Number Code	950 011 544		
EAN code	7332543736133		
Color	Light grey		
CADR Pollen (m³/h)	195		
CADR Dust (m³/h)	202
