

High firmness and stability of cookware

The Series 40 EasyCook gas hob offers a large and stable cooking surface for pots and pans of all sizes. Easily place and move everything around on the spacious hob, even when you're cooking on multiple burners at once.

The Series 40 EasyCook gas hob offers a large and stable cooking surface for pots and pans of all sizes. Easily place and move everything around on the spacious hob, even when you're cooking on multiple burners at once.

Product Benefits & Features

Maximising hob space with SideWok

The SideWok burner is designed for large pans and woks that would otherwise take up a lot of room. The standalone cooking zone has its own powerful gas burner and controls, so you can do more at once.

Turn up the heat, with Powerful Wok

When you need an extra burst of heat, the Powerful Wok burner is on hand. Whether you're searing steaks or prawns, the higher temperature will help achieve tender, tasty results.

Cast Iron Grids, for the professional look

Strong Cast Iron Grids will give your hob a professional finish. The sturdy support will keep pots and pans flat, and their durable build will last for years.

Perfect Flame Regulation, for perfect temperature

The hob's responsive gas taps feature Perfect Flame Regulation. Giving you complete control over the temperature you want to cook your favourite dishes with.

Easy cooking, with Integrated Ignition

Get cooking quickly with Integrated Ignition. To activate the cooking zones, simply press the temperature knob down and turn.

- Front right: Simmer pureflame burner
- Rear left: Semi-rapid pureflame burner
- Rear right: Semi-rapid pureflame burner
- Stylishly one-piece hob surface for easy cleaning
