

Perfect preservation in every corner. Full flavor in every bite
 Ingredient consistency preserved with Cooling 360°. Total air circulation moves cold air everywhere thanks to efficient air vents.
 The innovative stainless steel back quickly restores the temperature after each opening. Your food retains its delicious flavor.

Product Benefits & Features

In every corner. Complete refrigeration. With Cooling 360°
 The Cooling 360° function generates advanced air circulation. With this system, the air circulates to every corner. The stainless steel back cools faster after opening the door, with an exceptional design.

Safe protection of all ingredients, of

CustomFlex®: perfect organization of the refrigerator door
 With the CustomFlex® system you can organize the refrigerator door as you prefer. Thanks to an exclusive series of shelves, clips and containers of all shapes and sizes, which can be positioned as you like, you can create hundreds of different combinations to take full advantage

ExtraChill drawer: for fresh and delicate cuts.
 Improve the preservation of cured meats and cheeses with the ExtraChill drawer, which allows you to maintain lower temperatures inside it than the rest of the refrigerator, thus maintaining the freshness of the food for longer.

Ten years of tranquility
 The ten-year warranty on the inverter compressor gives you complete peace of mind. The warranty includes labor costs, transportation, gas removal and refilling, general maintenance and service costs.

- Energy efficiency class: D
- Electronic temperature control
- Total net capacity: 366 lt
- Net refrigerator capacity: 266 lt
- Net freezer capacity: 101 lt
- Climate class: SN-N-ST-T
- Autonomy without electricity 18 hours
- Freezing capacity in 24 hours: 8 kg
- Holiday/Eco functions
- Adjustable fridge/freezer temperature
- Automatic refrigerator/freezer defrosting
- CustomFlex™ door (with customizable shelf system)
- Shatterproof glass refrigerator shelves
- Internal LED fridge light
- Dimensions (HxWxD): 2010x595x650 mm
- Climate class: SN-N-ST-T
- Energy efficiency class: D
- Noise level (dB): 37

Product Specification

Model	RCB736D7MB
Installation	Free installation
Energy efficiency class E20	D
Average annual energy consumption in kilowatt hours per year (kWh/a) E20	200
Refrigerator compartment volumes E20	266
Freezer compartment volume E20	101
Climate class E20	SN-N-ST-T
E20 silence	37
Freezing capacity (compartment 4-Star) E20	8
Height (mm)	2010
Gross weight (kg)	78
Maximum absorbed power (W)	162
Voltage (V)	220-240
Color	Black Stainless Steel + Dark Grey
Width (mm.)	595
Packaging height (mm)	2066
Depth (mm)	650
Sales channel	All Open
Net weight (kg)	73
Packaging width (mm)	664
