Electrolux

UltimateCare 700 Freestanding Dishwasher

14 Place Setting

MaxiFlex Drawer space can be adapted to the load

SatelliteClean reaches all items with water jets

Thoroughly wash every dish with SatelliteClean – cleans up to 3 times better than a standard dishwasher. Thanks to the satellite swirl that keeps changing the angle of water jet, even the most stubborn residues are thoroughly cleaned.

ExtraHygiene removes 99.99% bacteria & viruses.

The ExtraHygiene function offers maximum cleaning performance, ensuring excellent sanitation.

AirDry Technology

AirDry technology allows the dishwasher to complete the drying cycle with a gust of fresh air, guaranteeing drying results 3 times better than traditional closed tank system.
